We have audited the accompanying statement of financial condition of Cogent Alternative Strategies, Inc. (the "Company") and the related notes as of December 31, 2012 that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether this financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of this financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of this financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of this financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

COGENT ALTERNATIVE STRATEGIES, INC.
NOTES TO THE STATEMENT OF FINANCIAL CONDITION
FOR THE YEAR ENDED DECEMBER 31, 2011

1. ORGANIZATION AND NATURE OF BUSINESS

Cogent Alternative Strategies, Inc. (the "Company") began doing business in July 2000 as a registered broker-dealer with the Securities and Exchange Commission and the Financial Industry Regulatory Authority ("FINRA"). The principal source of the Company's income is generated from the private placement of securities. In this capacity, the firm places assets with investment managers for its qualified individual and institutional customers. In addition the Company acts as an agent for secondary private placements and other similar transactions.

In the normal course of its business, the Company enters into financial transactions where the risk of potential loss due to changes in market (market risk) or failure of the other party to the transaction to perform (counterparty risk) exceeds the amounts recorded for the transaction.

The Company's policy is to continuously monitor its exposure to market and counterparty risk through the use of a variety of financial position and credit exposure reporting and control procedures. In addition, the Company has a policy of reviewing the credit standing of each broker/dealer, clearing organization, fund manager, customer and/or other counterparty with which it conducts business.

2. SIGNIFICANT ACCOUNTING POLICIES

The Company maintains its books and records on an accrual basis in accordance with accounting principles generally accepted in the United States of America which require management to make estimates and assumptions in determining the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from these estimates

The Company's financial instruments that are potentially exposed to concentrations of credit risk consist primarily of cash and cash equivalents. The Company places its cash with quality financial institutions. At times, cash balances may be in excess of balances insured by FDIC.

4. CASH IN BANK

Funds deposited with a single bank are insured up to \$250,000 in the aggregate by the Federal Deposit Insurance Corporation ("FDIC). The Company considers all highly liquid instruments purchased with a maturity date of three months or less when purchased to be cash equivalents.

5. PROVISION FOR INCOME TAXES

The Company is recognized as an S-Corporation by the Internal Revenue Service.
